RAC CONVENTION 2012
www.convention2012.rac.ca

31 July 2012

It is with great regret that the organizing committee must announce the cancellation of the 2012 RAC Convention planned for Edmonton on 10-12 August. We fully expect to hold the event next year.

A number of unfortunate circumstances have brought the committee to this tough decision, not least of which was the low number of pre-registrants. We will provide further details on the website.

Because of these constraints, we feel that we would not be able to deliver a Convention of the quality originally envisioned.

Over the last few months, we have been fortunate in receiving significant sponsorship from local Amateur clubs and commercial suppliers. Fortunately we have not incurred any substantial obligations. We will be contacting the sponsor clubs immediately to determine their wishes regarding the donations. In any case we wish to express our appreciation for their support.

We will also be immediately refunding any registrations received prior to cancellation. Any payments received after 31th of July will be returned unprocessed.

There is a plan for an informal gathering to visit the VE6JY site on the Saturday Aug 11. Details will be posted on the web site.

We apologise if anyone was intending to build other travel plans around the Convention.
